**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The internet service I get today from my small provider, Sonic, is way better than what I was getting from Comcast before, and at a cheaper price. Do not let the large providers manipulate the government merely for their own benefit. Competition is the basis of our capitalistic system. Please don't let crony corporatism win out.
